BACK SIDE FOR BARTENDER

MYSTIC VALE GOSE
SOUR ALE

ALC 5,0 % HOPS Magnum, Huell melon
IBU 30 MALT Pilsner, Wheat

This brew pushes the limit of fruitiness in a beer at 100g/litre of passion fruit, pineapple and mandarin! The tartness of the fruit is perfectly balanced by the sourness of the Philly Sour yeast. A pinch of salt rounds out the profile, and oh yeah, did we mention there is also 17kg of cookies in this mad brew?!
